Algoma

Nurse Practitioner-Led Clinic

For the items you checked as 'very experienced' or 'some experience', please provide details below;

I practice primarily municipal law and labour and employment law. I also advise first nations, educational institutions and a host of boards. I have been practicing law since 1997 and for the past 25 years have been in the above mentioned fields.

I litigate matters, train municipal councils and boards so I have a lot of experience advising boards. Public speaking and communication is the mainstay of my particular areas of practice.

***Please note a police records check will be required.**
