What is the Alliance member portal?

The Alliance member portal is an interactive space that encourages social and community collaboration through a platform called SocialLink. The Alliance member portal gives users the ability to:

- Create and manage connections with colleagues
- Interact with connections and groups through a personalized feed
- Sign into the website by linking Facebook or LinkedIn accounts
- Get instant notifications through the SocialLink mobile app

Where to login

Users can sign into the Alliance member portal through www.allianceON.org. The “Member Portal” login is located on the upper right-hand side of the screen.

How to sign-in

Users can sign into the portal using credentials sent to them by Alliance administrators or by authenticating with either their Facebook or LinkedIn accounts. If are unsure if you have an account, email communications@allianceON.org.

Request access to the portal

If you do not have a portal account, you can request one here: <https://aohc.site-ym.com/login.aspx>

A screenshot of the Member Login page. The page has a light gray header with 'MEMBER LOGIN' and a search bar. Below the header is a welcome message and a section for signing in using social profiles (Facebook and LinkedIn). There is also a section for signing in with credentials, including fields for 'Username', 'Password', and a 'Remember Me' checkbox. At the bottom, there is a 'SIGN IN' button and a red-bordered box containing links for 'Forgot your password? Click here to reset your password.' and 'Haven't registered yet? Click here to Register'.

Social Sign-in for Members

With the release of SocialLink, members now have the option to sign-in/register by authenticating with either their Facebook or LinkedIn accounts.

What is the process for an existing member to set this up?

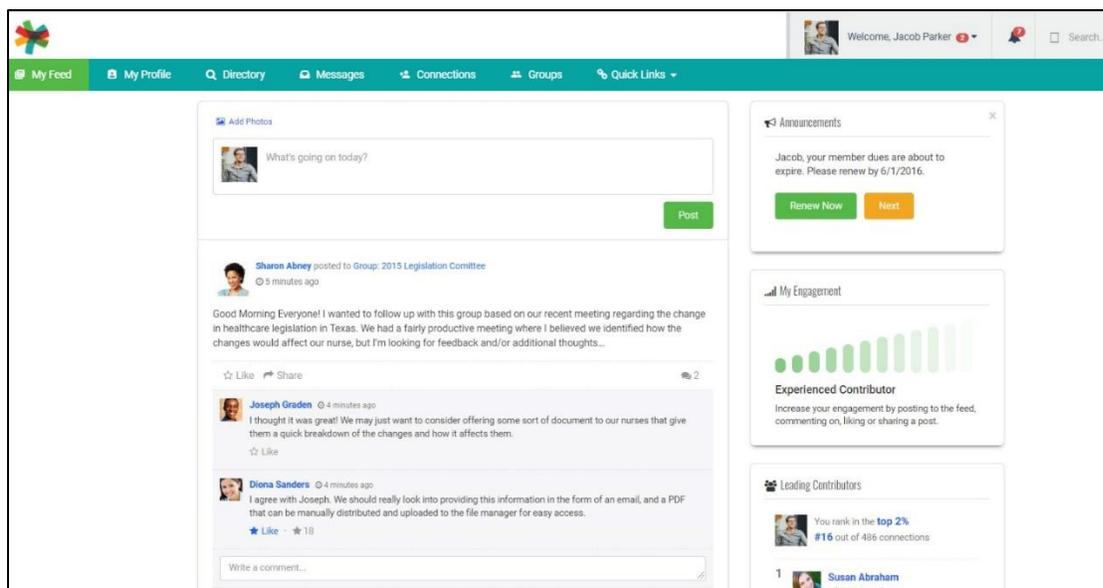

1. Click on the "Login with Facebook" or "Login with LinkedIn" button.
2. Sign into your social account (Facebook/LinkedIn). Note: this step will be unnecessary if your login is saved within your browser.
3. Review and accept terms, if you wish to proceed.
4. If there is a record in our system that matches your email address for the preferred social account, the authentication will happen automatically. If there are multiple matches, the user will be prompted to choose the account they wish to link.
5. If there are no matches, the member will be asked to login with the Alliance credentials they wish to link their social account to.

Download the SocialLink app

Users can connect using their smartphones by downloading the SocialLink mobile app - available on the Apple App Store: <https://appstore.com/sociallinkmobileapp>.
The app is expected to be available on Google Play soon.

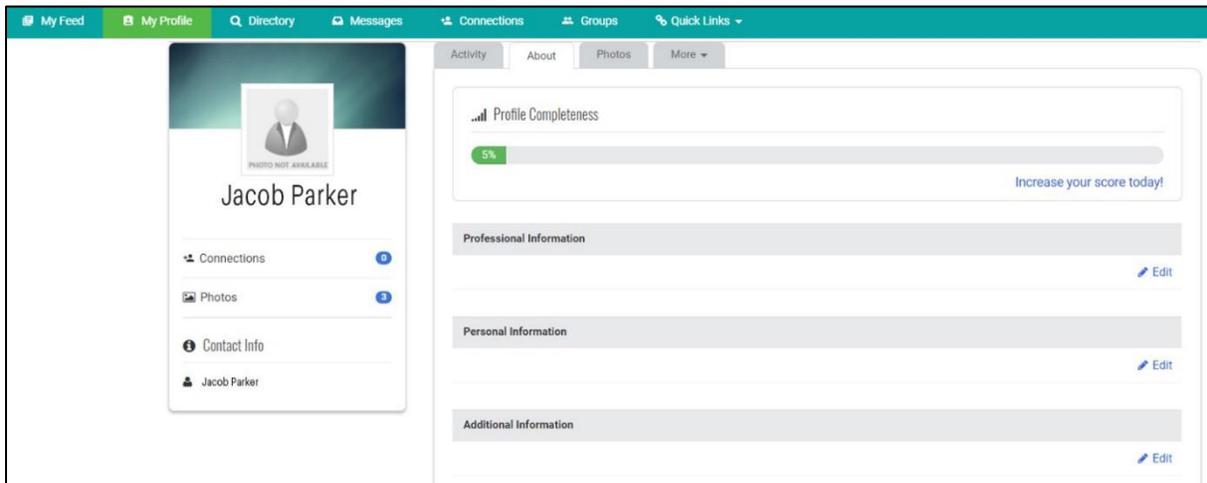

SocialLink News Feed

When users log in, they will automatically be directed to their personalized news feed. The news feed encompasses activity from Alliance members and administrators. Users can interact with the feed by liking, commenting and sharing individual posts.

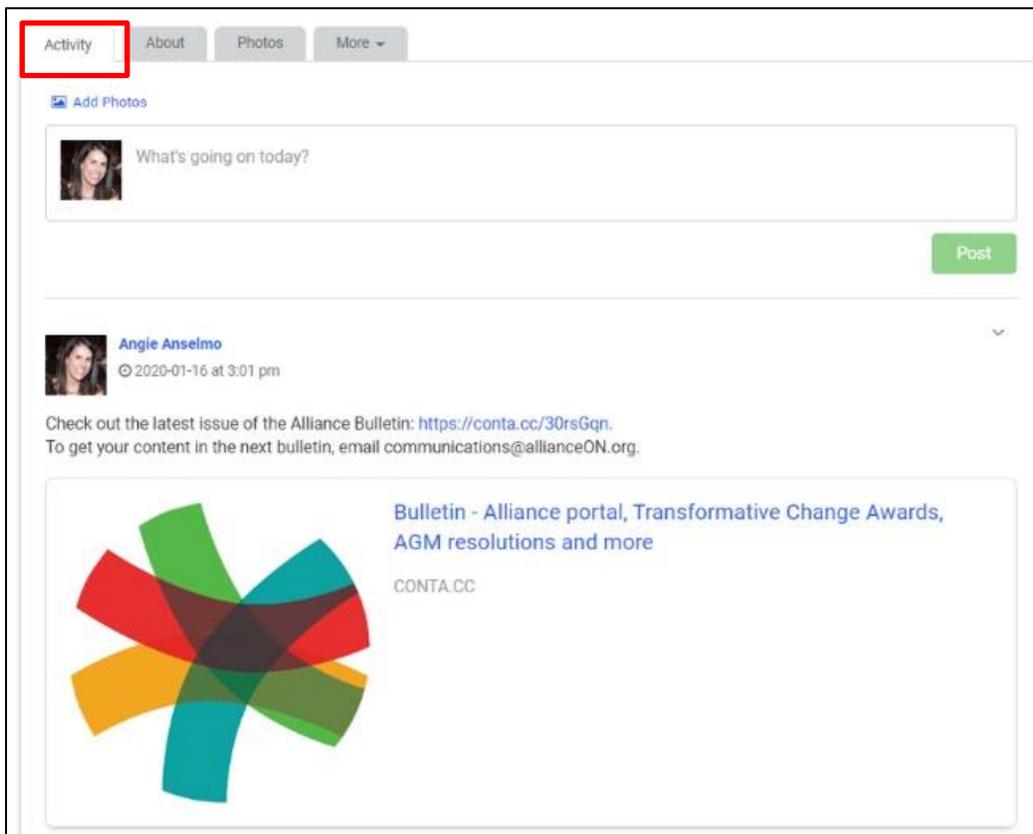

My profile

The “My Profile” tab allows users to complete their public profiles, view recent activity, photos, connections and manage a personal blog, bookmarks and files and links.

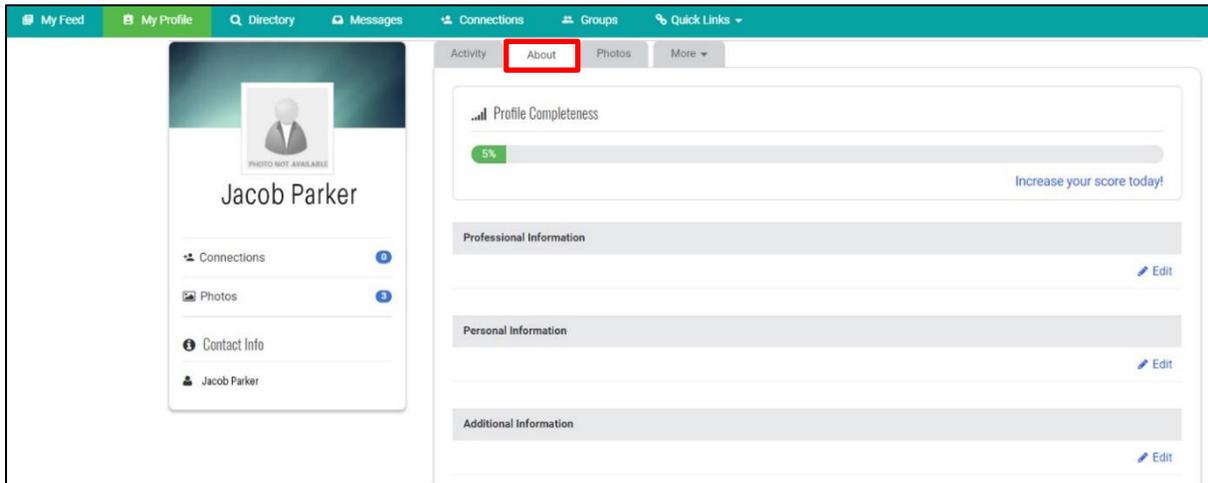

Activity

The “Activity” tab allows users to view all of their recent activity on the news feed.

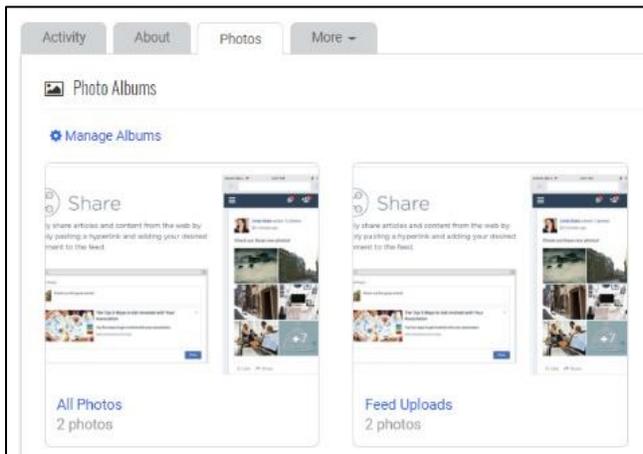

About

The “About” tab allows users to complete their public profiles with professional, personal and additional information they want to share with other members.

Photos

The “Photos” tab allows users to maintain public photo albums.

More

The “More” tab allows users to start a personal blog, maintain a personal blog, files and links and bookmarks from the Portal site.

Blogs

This section allows users to publish a personal blog on the Alliance portal and maintain blog subscriptions.

The screenshot shows the 'Create a New Blog' form. The left sidebar contains navigation options: Profile, Information & Settings, Payments & History, Content & Features, and Professional Development. The main content area has tabs for Job Postings, Pages, Blogs (selected), Photos, Feedback, Networks, Resume/CV, and Bookmarks. The form fields are: 'Blog Name' (text input), 'Number of Posts Displayed Per Page' (dropdown menu set to 10), 'Ability to Comment' (radio buttons for 'Locked (only I may comment)' and 'Open (other members may comment)'), 'Enable Voting and Scores on Posts' (radio buttons for 'Yes' and 'No'), 'Enable Voting on Comments' (radio buttons for 'Yes' and 'No'), and 'Short Description of Blog' (text area with a 1000 character limit).

Files & Links

Users can maintain files and links in their profile. These files and links can be visible to all members that visit their profile or kept hidden from their public profile.

How to add files and links to your profile:

Step 1: Click “Manage Files + Links”

Bookmarks

Users can bookmark pages available on the Portal Home Page. Look for the bookmark icon to add these pages for easy access.

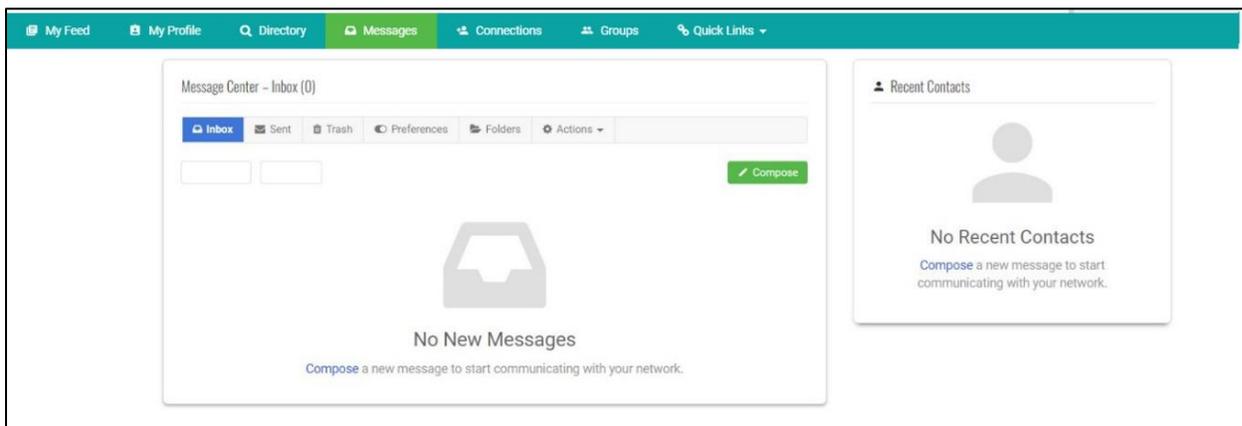

Directory

Users can find other Alliance members using the “Directory” tab. Search by name or within groups.

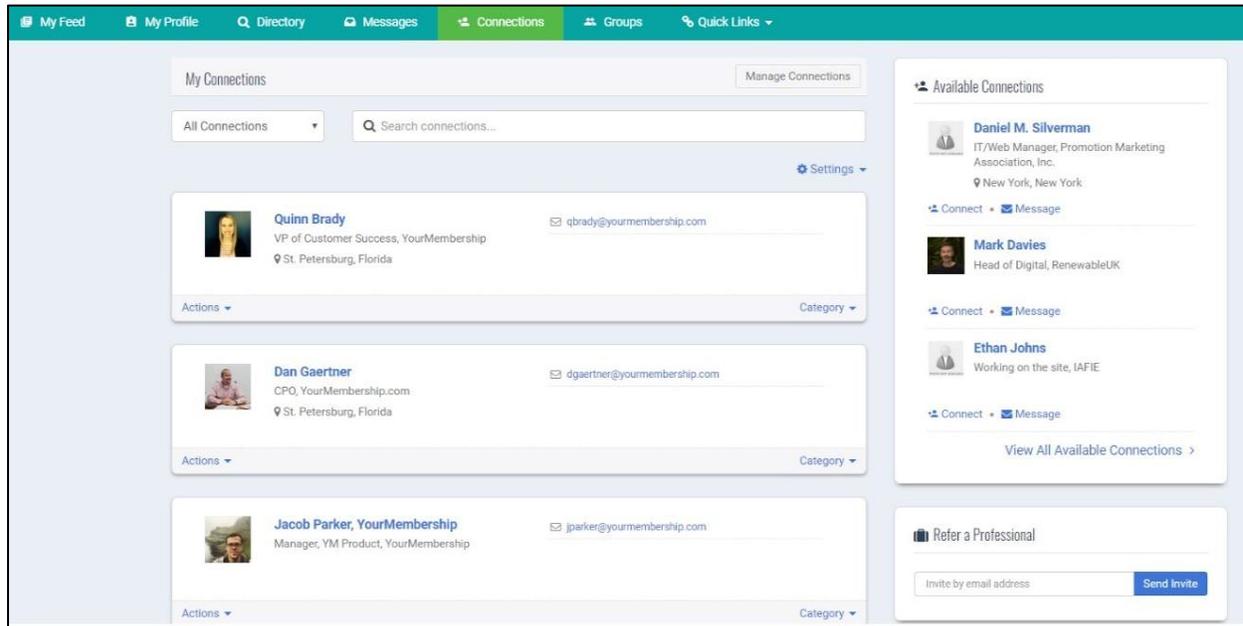

Messages

The “Messages” tab allows users to view and compose messages to/from connections and other Alliance members.

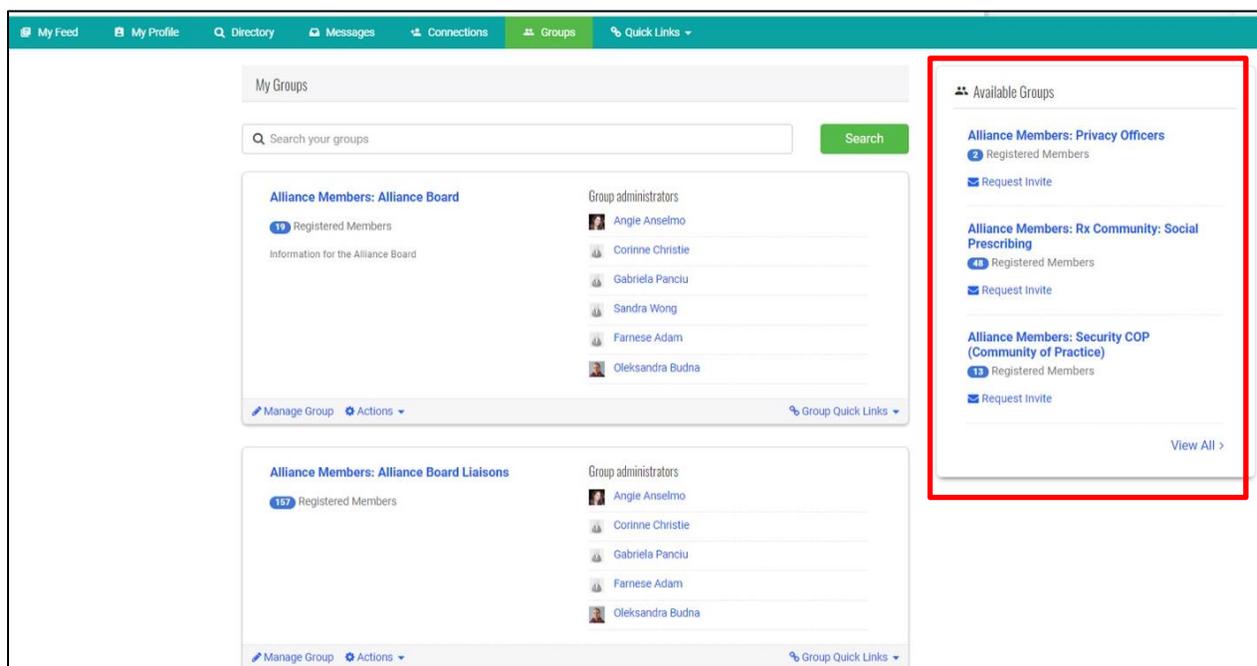

Connections

Users are encouraged to engage with other Alliance members by creating connections in SocialLink. Similar to other social media platforms, when users are connected to other members, they will be able to interact with them through direct messaging and by liking, commenting and sharing posts.

Groups

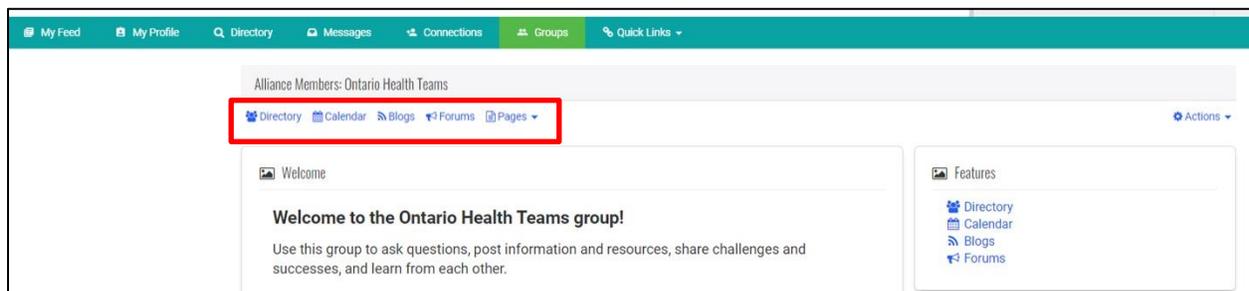

Access your committee/communities of practice groups using the “Groups” tab. You can also request access to join groups from the “available groups” section located on the right side panel.

Group Features

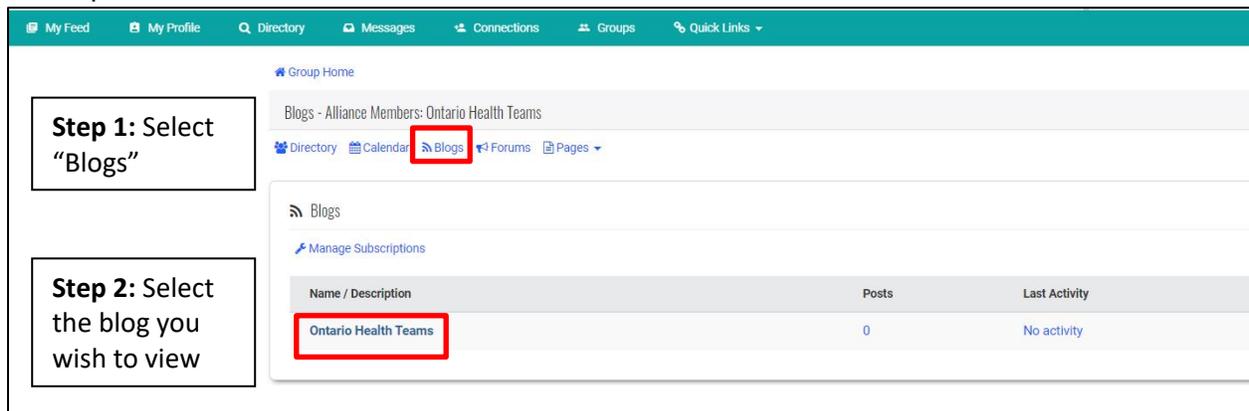

While formats for each of the groups may vary slightly, basic functions are consistent through all of them.

- **Group Directory** – The directory provides a listing of all members belonging to the group. Users can click on names to view profiles and send private messages.
- **Calendar** – View upcoming events relevant to the group.
- **Blogs** – Group administrators use the blog feature to provide members with updates. To receive notifications of any new postings, members must subscribe to the blog.
- **Forums** – Users can follow topics of interest or initiate their own discussions with other members. To receive notifications of any new comments, members must subscribe to the forum topic.
- **Pages** – View custom pages created within the group.

How to subscribe to a group blog

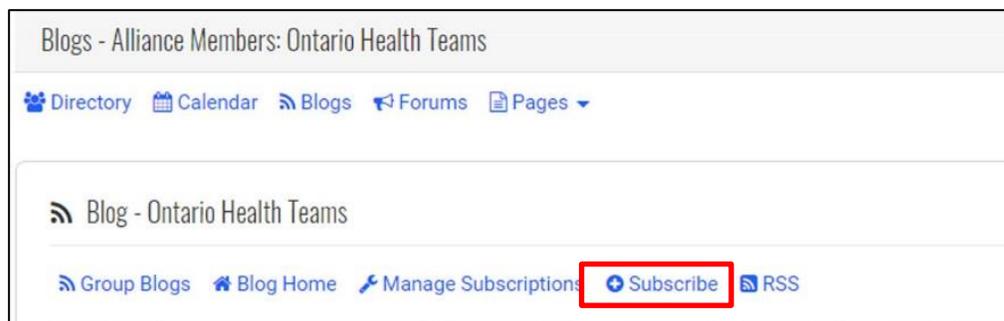

When a user subscribes to a group blog, they will receive an email notification alerting them of a new post.

Step 1: Select "Blogs"

Step 2: Select the blog you wish to view

Step 3: Click "Subscribe"

How to subscribe to group forums

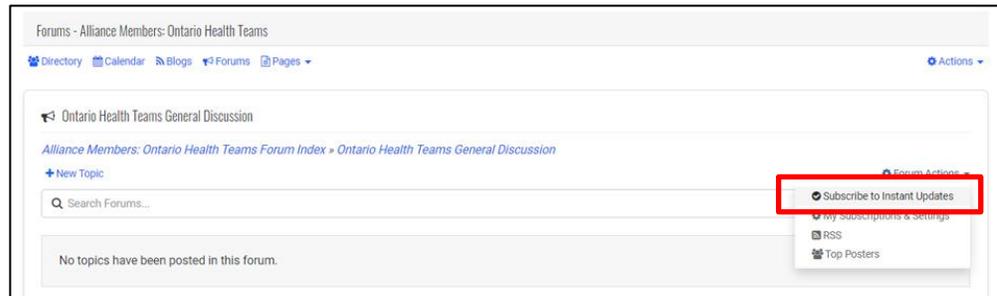

When a user subscribes to a group forum, they will receive an email notification alerting them of an added comment. To subscribe to a forum, click on “Forums” and then the name of the discussion you wish to subscribe to.

Step 1: Click “Forums”

Step 2: Click on the forum title

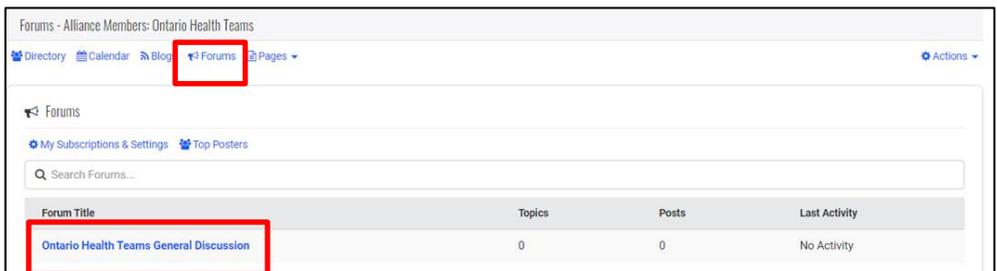

Step 3: Click “subscribe to instant updates” to receive notifications

How to post a topic on a group forum

The forums allow users to follow topics of interest or start their own discussions with other members.

Step 1: Click “Forums”

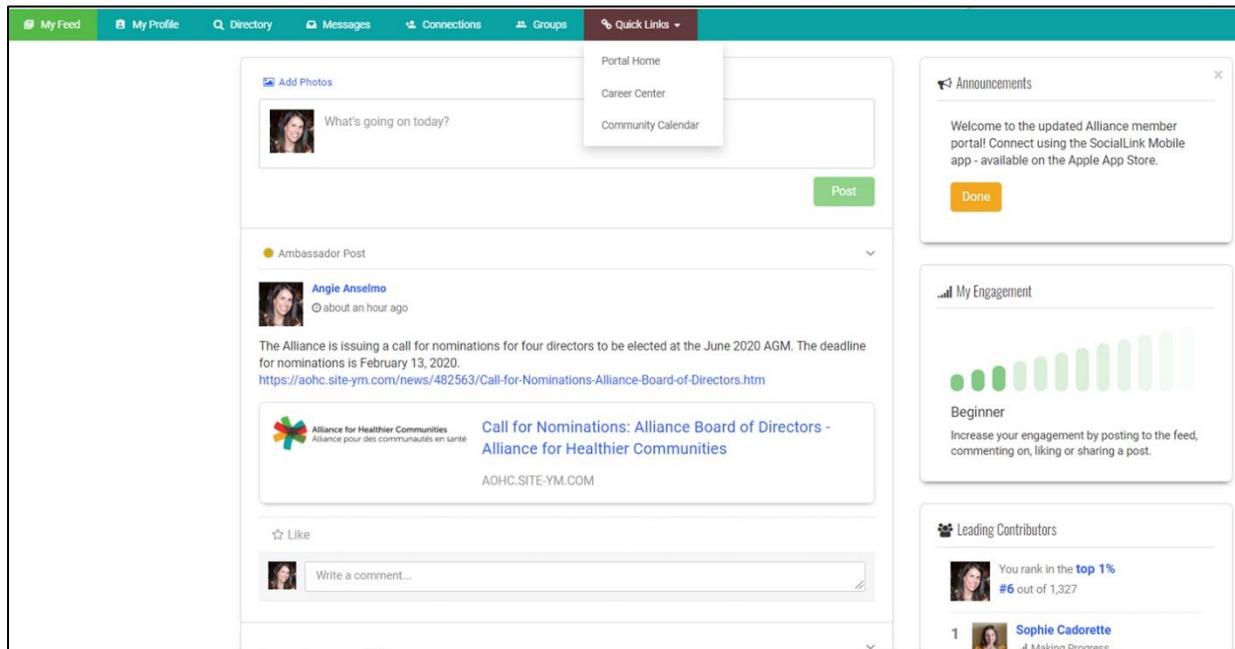

Step 2: Click on the forum title

Step 3: Click on “new topic”

Quick Links

Click on the “Quick Links” tab for access to the portal home page, career centre and community calendar.

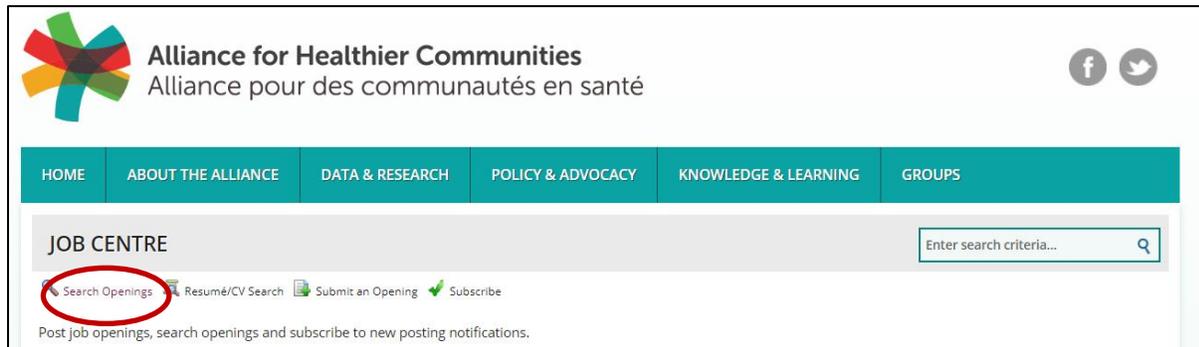

Portal Home

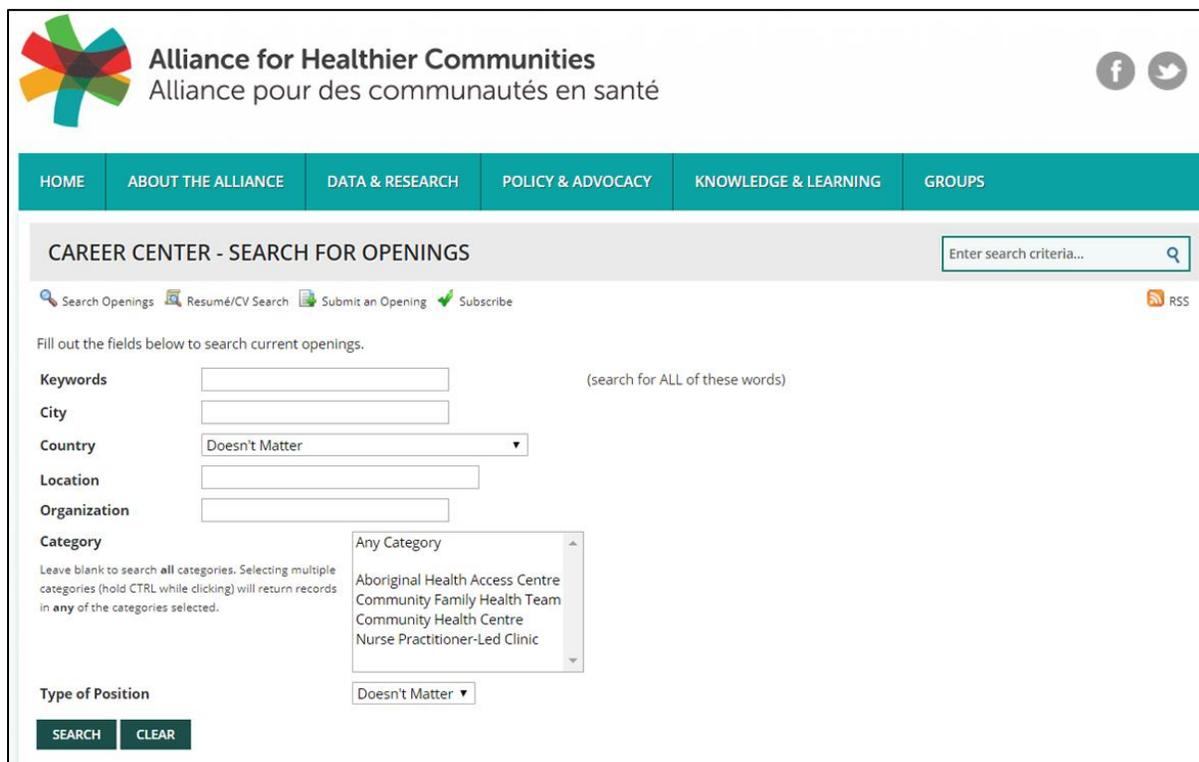

Career Centre

Under the “Quick Links” tab, Alliance members also have access to a career centre. The section allows users to search for job openings from across our membership based on member type, location and type of position offered.

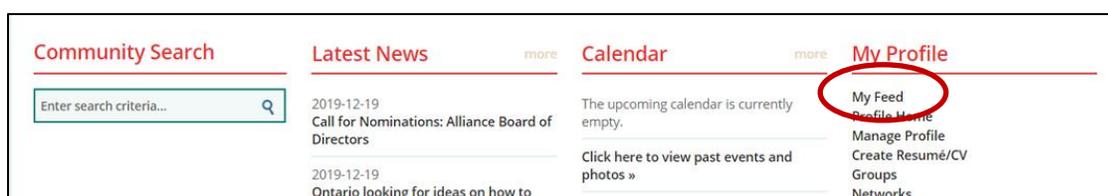

The screenshot shows the top navigation bar with the Alliance logo and name in both English and French. Below the navigation bar is a teal header with menu items: HOME, ABOUT THE ALLIANCE, DATA & RESEARCH, POLICY & ADVOCACY, KNOWLEDGE & LEARNING, and GROUPS. The main content area is titled "JOB CENTRE" and features a search bar with the placeholder text "Enter search criteria...". Below the search bar are four icons: a magnifying glass for "Search Openings" (circled in red), a document for "Resumé/CV Search", a plus sign for "Submit an Opening", and a checkmark for "Subscribe". A note below the icons reads: "Post job openings, search openings and subscribe to new posting notifications."

The screenshot shows the "CAREER CENTER - SEARCH FOR OPENINGS" page. It features the same navigation bar as the previous screenshot. Below the navigation bar is a teal header with the title "CAREER CENTER - SEARCH FOR OPENINGS" and a search bar with the placeholder text "Enter search criteria...". Below the search bar are four icons: a magnifying glass for "Search Openings", a document for "Resumé/CV Search", a plus sign for "Submit an Opening", and a checkmark for "Subscribe". An RSS icon is also present. The main content area is titled "Fill out the fields below to search current openings." and contains several search fields: "Keywords" (text input), "City" (text input), "Country" (dropdown menu with "Doesn't Matter" selected), "Location" (text input), "Organization" (text input), and "Category" (dropdown menu with "Any Category" selected). Below the "Category" dropdown is a note: "Leave blank to search all categories. Selecting multiple categories (hold CTRL while clicking) will return records in any of the categories selected." Below the search fields are two buttons: "SEARCH" and "CLEAR".

How to return to your SocialLink news feed

To navigate back to the SocialLink news feed from the homepage, click on the “My Feed” button under “Your Profile.”
