

I can absolutely do that. The fees proposed for the next three years would be:

22/23 - \$4,200 + 3.5% admin, tech, filing fee

23/24 - no increase

24/25 - \$4,300 + 3.5% admin, tech, filing fee.

We typically increase 2% a year for inflation. I gave a slight discount.

As I mentioned to Jennifer last year as well, based on this fee - in the past three years we've had overall discounts of approximately \$500-1000 based off of our standard billing rates to comply with those rates as we enjoy working with your organization.

If you have any questions or concerns please reach out.

Thanks!
